

# Far East – Bangladesh Express (FBX)

## Direct Liner Shipping Service Connecting China with Bangladesh’s Key Port

The Far East Bangladesh Express (FBX) offers a direct route from major Chinese ports to Chittagong, Bangladesh. This efficient and reliable weekly service includes port calls at Ningbo, Shanghai, Shekou, and Chittagong. The westbound journey starts from Ningbo, stopping at Shanghai and Shekou before arriving in Chittagong. The eastbound journey returns directly to Ningbo. Our team's expertise and commitment to excellent customer service ensure your shipments will arrive as planned. Choose our FBX service for your next shipment and join the growing ranks of SeaLead customers who value smooth and dependable cargo transportation.
