

Türkiye - Italy Express (TIE)

Direct Shipping Service Connecting Türkiye to Key Italian Ports

The Türkiye - Italy Express (TIE) connects Gemlik, Izmit, Istanbul, Aliaga, Salerno, La Spezia and Genoa, with a fixed space agreement in place. Unlike services routing via the Cape of Good Hope, TIE tranships via Türkiye through the Suez Canal. This provides faster transit times from the Far East to Salerno, and from India to Salerno, La Spezia and Genoa. Choose TIE for your next shipment and benefit from a trusted service offering improved speed, flexibility, and timely transit.
